

“BRING A FRIEND” Night at Community Concerts

Have you a special friend (or a couple, or a whole family) that you think might enjoy coming to our concerts?

We are extending the invitation to any of our **Community Concert members**, to bring someone with them to our next concert, which will be:

WindSync January 21, 2015

This is a wonderfully fun and entertaining wind quintet! Who (or whose child?) plays or is learning to play clarinet, oboe, bassoon, flute or horn? Have them come watch the professionals and be inspired!

Go to www.mcconcerts.com, click concerts and then WyndSync, for a sound sample!

Your friends' "ticket" for entrance (**to just this January 21st concert**), is this filled in paper! Let us know their name, address and phone number, along with your own name. That way we can send them our upcoming season's brochure which helps us spread the word to our friends and neighbors, about our unique organization.
